About MISC Berhad

MISC Berhad (MISC), was incorporated in 1968 and is a world leading provider of international energy related maritime solutions and services. The principal businesses of the Group comprise energy shipping and its related activities, owning and operating offshore floating solutions, marine repair and conversion, engineering and construction works, integrated marine services as well as maritime education and training. Its fleet consists of more than 120 owned and in-chartered LNG, Petroleum and Product vessels; as well as 14 floating facilities. The fleet has a combined capacity of approximately 16 million dwt.

Aside from its shipping business, maritime education is a priority for the Company and its Malaysian Maritime Academy (ALAM) is ranked amongst the top 10% of the world's Maritime Education and Training (MET) institutions.

Operating a modern, well-diversified fleet and backed by a knowledgeable workforce of more than 10,000 employees from all corners of the globe; MISC is committed to impart quality services to our customers, creating value for our stakeholders and contributing to the sustainability of the Industry.
